

Long Island Regional ENVIROTHON – April 26th, 2023

The National Conservation Foundation's Envirothon is the **largest High School Environmental Education Competition in the country**. Students from across the nation **compete in teams to solve an environmental science challenge with the chance at winning scholarship money for college** and moving on to the state and even national levels of the event.

The Long Island Regional level of this competition is proudly organized by the Nassau & Suffolk County Soil & Water Conservation Districts

SOIL & WATER
CONSERVATION DISTRICT

Envirothon Event Highlights

The 2023 LI Regional Envirothon will be **hosted by Usdan Summer Camp for the Arts** in Wheatley Heights, NY in **April 2023**. There will be many opportunities to **display your organization's name or logo** on pamphlets, posters and giveaways to the **hundreds of participants and volunteers**.

Students competing in the Envirothon are the **future scientists, engineers and conservationists** that will address future challenges to the environment. This event gets Long Island students engaged in finding

"Participating in the Envirothon with my school team every year was one of my favorite parts of high school, and I credit it as being one of the things that sparked my interest in the environmental field, particularly in wildlife and habitat conservation. After pursuing a Bachelors in Environmental Studies and a Masters in Environmental Management, I currently work at the EPA Chesapeake Bay Program Office in Maryland."

—Megan Ossmann (2009–2012 Envirothon Participant)

Long Island Regional Envirothon Sponsorship Options

We are glad to accept donations of any size, whether they be monetary or in-kind. A sponsorship tier system has been developed to showcase all of the donors that ensure the Long Island Envirothon is a memorable and formative experience for the students.

The **scholarship prize** is split between the winning team members; typically **at \$500 per student**. We look forward to increasing this amount with additional donation funds.

- **CONSERVATIONIST**—Sponsors who have contributed greater than or equal to \$10,000
- **ECOLOGIST**—Sponsors who have contributed between \$9,999–\$5,000
- **NATURALIST**—Sponsors who have contributed between \$4,999–\$1,000
- **STEWARD of the LAND**—Sponsors who have contributed between \$999–\$500
- **FRIENDS of the ENVIROTHON**—Sponsors who have contributed between \$499–\$250

Our Conservationist Donors will have their brand name or logo displayed prominently on all promotional materials, our website and giveaways (tee-shirts and tote bags). You are a crucial part of this program's success and will be featured on every document and item that we send or hand out.

Ecologist Donors will have their brand name or logo on display on our website, handouts, flyers and listed below Conservationist Tier Logos on promotional materials & giveaways.

Naturalist Donors will have their brand name listed on tee shirts and other giveaways and handouts.

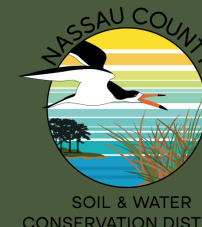

Steward of the Land Donors will have their brand name listed on day-of-event handouts

Friends of the Envirothon Donors will have their brand name (or personal name) on display during the award ceremony.

All contributions are
100% TAX DEDUCTIBLE

Your Contribution's Impact

With your contribution, we hope to **increase the scholarship amount we can provide to winning students** as well as the consolation prizes for the runners up.

The key sponsor of the event, *Covanta*, suggested your organization as one that may wish to provide support in order to give **the students the best experience possible.**
